The idea of 'Lent Lunches' is to both raise money for the mission and work of the church, and also to create an opportunity for fellowship so that we can get to know one another better.

The lunch will consist of a simple meal of bread and cheese, followed by tea and coffee and a piece of cake. They are open to everyone. If you need a lift to get to a venue please have a word with John (01977 680788).

The money raised from Lent Lunches will this year will go towards the Malawi Project and as has been the tradition in the Benefice to Christian Aid.
